

Fishery Conservation and Management

§ 679.45

fishing for groundfish or directed fishing for crab species and will have specific endorsements and designations based on the person's claims in his or her application for a license. This non-transferable license expires upon the resolution of the appeal.

[61 FR 31230, June 19, 1996, as amended at 62 FR 17753, Apr. 11, 1997; 63 FR 52657, Oct. 1, 1998; 63 FR 64879, Nov. 24, 1998]

§ 679.44 Penalties.

Any person committing, or a fishing vessel used in the commission of, a violation of the Magnuson-Stevens Act or Halibut Act, or any regulation issued under the Magnuson-Stevens Act or Halibut Act, is subject to the civil and criminal penalty provisions and civil forfeiture provisions of the Magnuson-Stevens Act or Halibut Act, to part 600 of this chapter, to 15 CFR part 904 (Civil Procedures), and to other applicable law. Penalties include but are not limited to permanent or temporary sanctions to QS and associated IFQ.

§ 679.45 IFQ cost recovery program.

(a) *Cost recovery fees*—(1) *Responsibility*. The person documented on the IFQ permit as the permit holder at the time of an IFQ landing must comply with the requirements of this section. Subsequent transfer of QS or IFQ does not affect the permit holder's liability for noncompliance with this section.

(2) *IFQ Fee Liability Determination*. After each IFQ fishing year, the Regional Administrator will issue each IFQ permit holder a summary of his or her IFQ pounds landed during that IFQ fishing year for each permit as part of the IFQ Landing and Estimated Fee Liability page described at § 679.5(l)(7)(ii)(C)(2). The summary will include an estimated IFQ fee liability based on the standard ex-vessel values of the landings. The summary and estimated fee liability will include details of IFQ equivalent pounds landed by permit, port or port-group, species, date, and IFQ standard prices. The permit holder must either accept NMFS's estimate of IFQ liability or revise NMFS's estimate of IFQ fee liability using the Fee Submission Form described at § 679.5(l)(7)(ii). If the permit holder revises NMFS's estimate of his or her fee liability, NMFS may request

in writing that the permit holder submit documentation establishing the factual basis for the revised calculation. If the permit holder fails to provide adequate documentation by the 30th day after the date of such request, NMFS will determine the IFQ permit holder's fee liability based on standard ex-vessel values.

(3) *Fee Collection*. An IFQ permit holder with an IFQ landing is responsible for self-collecting his or her own fee during the calendar year in which the IFQ fish is harvested.

(4) *Payment*—(i) *Payment due date*. An IFQ permit holder must submit his or her IFQ fee liability payment(s) to NMFS at the address provided in this section at paragraph (a)(4)(iii) of this section not later than January 31 of the year following the calendar year in which the IFQ landings were made.

(ii) *Payment recipient*. Make payment payable to NMFS.

(iii) *Payment address*. Mail payment and related documents to: Administrator, Alaska Region, NMFS, Attn: RAM Program, P.O. Box 21668, Juneau, AK 99802-1668, Facsimile: (907) 586-7354.

(iv) *Payment method*. Payment must be made by personal check drawn on a U.S. bank account, money order, or bank certified check.

(b) *IFQ ex-vessel value determination and use*—(1) *General*. An IFQ permit holder must use either the IFQ standard ex-vessel value or the IFQ actual ex-vessel value when determining the IFQ fee liability based on ex-vessel value. An IFQ permit holder must base all fee liability calculations on the ex-vessel value that correlates to landed IFQ fish that is recorded in IFQ equivalent pounds.

(2) *IFQ actual ex-vessel value*. An IFQ permit holder that uses actual ex-vessel value, as defined in § 679.2, to determine IFQ fee liability must document actual ex-vessel value for each IFQ permit.

(c) *IFQ standard ex-vessel value determination and use*—(1) *Use of standard price*. An IFQ permit holder that uses standard ex-vessel value to determine the IFQ fee liability as part of a revised IFQ fee liability submission must use the corresponding standard price(s) as published in the FEDERAL REGISTER.
